

Jon Moleski

Golf Teacher

Jon was one of the original teachers at Birdies & Buckets since its opening. He has a powerful swing with the driver and also a great touch with the short game. Besides his trademark hat, Jon is known for his effective and entertaining style of teaching. Jon has his WGTF certificate and CORE license. He loves teaching kids and group classes.

Jon is quite busy in many other aspects of his life besides golf. Running a home restoration company with several employees keeps him active. Jon is also an avid curler. In fact, Jon teaches curling lessons to seniors and other people at the Delta Curling Club. Jon will be the first to tell you that there are similarities to throwing a curling rock close to the centre point and sinking a 20 foot putt. Jon can teach you both but here is a bit of advise though... Please don't bring a curling rock to the golf course and try your throw on the greens. The greens keeper will not be happy!
